

## APF ACTIVITY CAMPS SUMMER OFFER

Re: **Summer Camp promotion for Afghanistan and Ukrainian families in Milton Keynes and Buckinghamshire.**

Dear parents, carers and sponsors.

I am sure you are aware of the Holiday Activities and Food (HAF) programme 2022 and that [APF Activity Camps](#) are providing a summer Camp in Milton Keynes and Buckinghamshire for those children entitled to benefits-related free school meals (FSM). However, as an inclusive camp provider, we are looking to ensure that all children can access our activity camps. We acknowledge the challenges that Ukrainian and Afghanistan families living in the UK have faced recently, and we would warmly welcome the opportunity for them to build relationships and have fun over the school holidays. We are therefore offering our camps to these families at a reduced rate (50% off). We have two camps running in your area:

### Multi-Activity Camp for children aged 4- 14 (Aylesbury)

- Week 1 - Mon 25th July - Fri 29th July
- Week 2 - Mon 1st August - Fri 5th August
- Week 3 - Mon 22nd August - Fri 26th August

### Multi-Activity Camp for children aged 4- 14 (Milton Keynes)

- Week 1: Monday 1st - Friday 5th August
- Week 2: Monday 8th - Friday 12th August

Our Multi-Activity Camp Includes extreme activities (such outdoor survival tasks, archery & inflatables) and offer risk taking, character development and a better understanding of how to keep safe. They also include physical activity sessions (such as dodgeball and capture the flag) and allow students to gain a better understanding of keeping physically healthy. Finally, the programme includes arts and crafts activities (such as resistant materials projects, clay modelling, painting and drawing) delivered by teachers and coaches who naturally embed a ‘therapeutic’ approach to improving emotional wellbeing.

### Multi-Sports Camp for children aged 7-14 (Aylesbury)

- Mon 22nd August - Fri 26th August

This camp is ideal if playing just one sport or activity for a week isn’t your thing and you would like a real pick and mix of fabulous activities to try. Our expert coaches challenge and support players at every level to improve their skills while making new friends. Our sports camps’ help children enjoy sports, learn to work in a team and improve their skills. In addition to learning sport-specific skills, the programme develops core skills such as agility and co-ordination, alongside teamwork and communication.
