Dear parents and carers,

**Re: Parental Survey – William Harding School’s Vision, Values and Mission**

At William Harding School, we value your input and strive to create an inclusive environment where all stakeholders’ (pupils, parents/carers, staff and Governors) views are taken in to account.

Our school’s Vision, Values and Mission are the guiding principles that shape all we do at William Harding and we invite you to share your thoughts by completing this survey, click [here](#) to access.

Your input is essential in shaping the future of William Harding School and we very much appreciate your feedback. Once your feedback has been received we will also be using staff, pupils and Governors feedback alongside yours to update our Vision, Values and Mission, which will then be sent out to all our stakeholders.

Kind regards,

The Senior Leadership Team
