Dear parents and carers,

**Re: Digital Parents' Suggestion Box**

As a school, we are keen to work with our parents and value their input. As a way to gain your thoughts and suggestions, we have set up a Digital Parents' Suggestion Box. This can be found in the Parent View tab under Parents on our school website. All you need to do to make a suggestion or give us feedback is go to this part of the website, click the link and follow the steps. We may contact you if we would like to clarify or explore an idea. We will not be replying to suggestions but all appropriate suggestions will be considered by the leadership team. Any abusive comments will not be considered.

This is an exciting new development for us and we look forward to reading your suggestions.

Kind regards,

Mr Thorpe

Assistant Headteacher (Inclusion and Communities)
