Dear parents and carers,

Re: EYFS Performance data 2022

I am pleased to share with you the EYFS data from this academic year.

Reception children are assessed against the early learning goals in the 3 prime areas (PSED, Communication and Language and Physical Development) as well as the specific areas (Literacy and Numeracy). If children achieve the expected level in **all** of these areas they achieve a 'good level of development (GLD)'. 52% of Reception pupils achieved GLD.

I am proud of our pupils and the Reception staff team who have worked hard to achieve these results. I am sure you will join me in congratulating our pupils and staff.

Best wishes,

Miss Cotchin
Head teacher
