

William Harding Early Years Pupil Premium Plan *EYPP* Pre-school (Reviewed Action Plan) 2019 – 2020

A guide to Early Years Pupil Premium

If your child is eligible for free school meals, schools may also be entitled to receive a sum of money to boost their learning.

What is Early Years Pupil Premium?

Early Years Pupil Premium (EYPP) is additional funding for early years pre-school settings to improve the education they provide for disadvantaged 3- and 4 year-olds including, but not restricted to, those adopted from care.

The funding goes directly to registered early years providers (including pre-schools, nurseries and childminders) that offer children the free early education entitlement.

Is your child eligible?

Children who are 3 and 4 and who meet the eligibility criteria will be funded at a rate of 53p an hour which equates to £302.10 per annum. If your child qualifies this information will allow them to access funding into Reception class.

Eligibility criteria are that families need to meet one of the following criteria:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- Child Tax Credit (provided they're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit
- Universal Credit
- they have been in local-authority care for 1 day or more in England or Wales
- they have been adopted from care in England or Wales
- they have left care under a special guardianship order or residence order in England or Wales

How can it be spent?

Pre-schools can choose how to spend their pupil premium money, as they are best placed to identify what would be of most benefit to the children who are eligible.

Common ways in which schools spend their pupil premium fund include:

- Extra one-to-one or small-group support for children within the classroom
- Paying for additional help such as speech and language therapy or family therapy
- Investing in resources that boost children's learning
- Creative and bespoke ways to support the pupil

All of the children in a class will reap some benefit from how the school spends its pupil premium: for example, if the money is used to fund an additional teaching assistant who works across the whole class, rather than providing one-to-one support.

How is it spent at William Harding?

At William Harding we have chosen to spend our Early Years Pupil Premium money to support the following areas which we have identified as being barriers to success for our Pupil Premium children'

- Improving learning for eligible pupils
- Well-being and pastoral support for eligible pupils
- Increased attendance rates for eligible pupils

All schools have to show how they are using their pupil premium fund appropriately. In our William Harding Pupil Premium Plan 2019/20 we show you how much money we have been allocated, how we intend to spend it and how it makes a difference to the attainment of disadvantaged pupils.

School	William Harding Pre-School			Total PP budget £302.10 moving to £3,021.00	
Total number of pupils	49-64	Number of pupils eligible for EYPP	1-10	Date for next internal review of this strategy	January 2020
2. Barriers to future attainment (for pupils eligible for PP, including high ability)					
<i>In-school barriers (issues to be addressed in school, such as poor oral language skills)</i>					
A.	The percentage of pupils eligible for PP attaining the expected level in each year group is generally below that of pupils not eligible for PP				
B.	Pupils eligible for PP lack opportunities due to financial disadvantage & may have fewer life experiences to link to their play & learning				
C.	Pupils eligible for PP may suffer from low self-esteem; they may lack motivation and aspiration and this may affect their attitude to learning				
<i>External barriers (issues which also require action outside school, such as low attendance rates)</i>					
D.	Attendance for PP children is below attendance for non PP as they reach school age – this reduces their school hours and causes them to fall behind				
3. Desired outcomes
