WILLIAM HARDING SCHOOL
Aim high... Work hard... Be kind...

Meet our Family Liaison Officers.

Mrs Bone

Mrs Bicknell

Mrs Bazeley

Mrs Lambourne

Miss White

Buckinghamshire School nursing

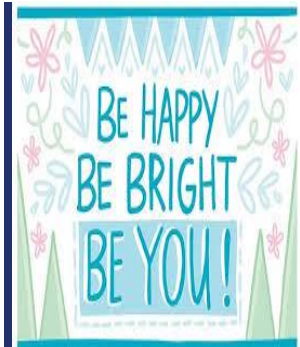

We support children and young people in Buckinghamshire schools with medical, social, emotional or physical needs.

We work in schools and the local community to help each person achieve their potential. This helps them to get the most from life and education, and become responsible for their own health. We also work in clinics and family homes.

Our team works in partnership with children and young people, their families and other health and education professionals in clinics and family homes. We also work with colleagues in health, care and education services across Buckinghamshire to help shape children's services.

Who we are

We're a team of multi-skilled staff who specialise in child health and wellbeing. This includes specialist community public health nurses, community nurses, child health and wellbeing advisors, and school health assistants. We work with colleagues in our NHS Trust's safeguarding children's team and our [health visiting team](#) who support pre-school children.

How to contact us

To contact a Family Liaison Officer, you can call the office on 01296 421733. Alternatively, you can email: safeguarding@williamharding.school

February Half Term What's on

Wendover woods has got their new Super worm family trail running throughout February half term. £3.50 per pack, but you don't need one to do the trail. Go Ape has lots of availability over half term and has a junior course that's easier for the younger children to do.

Waddesdon Manor 19th – 27th February 2022. This year the theme is Birds and Beasts. It's £3.50 per trail, payable on arrival at the kiosk. Apparently, they recommend one trail per child. They've also got tons of snowdrops if you don't want to do the trail.

Lambing at Odds Farm Park

19 February - 27 February
