Dear Families,

As a preschool, we try to remain a cost-effective form of childcare. Within the last 4 years we have not increased our fees, keeping the costs low for our families, however with recent events and prices increasing, we have decided to increase our fees **from September 2022**. This is a decision we haven't taken lightly and followed a range of research. We still remain a competitively priced setting in the community.

Please note our new fee structure below:

Preschool Fee Structure September 2022
