Dear parents and carers,

**Re: Handle With Care**

We understand that families may experience a range of difficulties and we would like to provide children and families with additional support at school. We appreciate that it can be difficult to talk to someone about what is happening and have set up a 'Handle With Care' notification system In addition to our weekly FLO drop in sessions.

If you are experiencing difficulties at home and do not wish to speak to someone about it, you can complete a 'Handle With Care' slip or online form. This will be passed on to the class teacher and FLO team who will understand that a little extra patience, time and care may be required with your child. Your child will not be informed that you have completed the form nor will they be asked any direct questions about home.

If you do wish to speak to member of a FLO team, you can do so by either coming along to our Monday morning drop in sessions or call / email the office.

Link to the online 'Handle With Care' form can be found here:

Paper copies of the form can be found in the main office.

Kind regards,

Amy Bone
