Dear parents and carers,

RE: Free Online Courses for parents and carers

Please see the attached flyer for some online courses run by Buckinghamshire Family Learning for parents and carers that are starting after half term.

All curriculum courses are maths - really helping parents and carers to understand what and how their child is learning, and making sure they can support and engage their child.

Also, you will see there are 2 wellbeing courses for Y3-6.

Money Matters - Develop skills to understand how money is taught at school, develop strategies to manage 'pester power, help your child to manage money through play - Crucial life skills.

Support Your Child's Wellbeing Y3-6 - Our popular wellbeing courses helping parents to help children develop confidence, resilience and positive friendships whilst managing stress and anxiety.

Lastly, there is a volunteering workshop for parents who would like more information about moving into this sector - maybe ready for going back to work.

To book on to any of these courses please follow the joining instructions on the flyer.

Kind regards

Mr Liddle
Behaviour & Community Lead
William Harding School

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
