01 December 2022

Dear Parents,

**Re: KS1 Numbots**

Over the past half term, KS1 have been trialling Numbots as an addition to our home learning. This is a fantastic platform that focusses on children's number sense, counting, addition and subtraction skills in fun game and story-based challenges. Numbots also has the benefit of being the sister platform to Times Tables Rockstars, which children begin to use in Year 2.

So many of our families have commented to us about how much their children are enjoying playing the games and want to engage with the platform.

Because the trial was such a success, William Harding School are delighted to inform you that we will be subscribing to the platform for the remainder of the school year and into the future. We expect to be up and running by Monday 5<sup>th</sup> December, 2022. We appreciate your patience whilst we liaise with the Numbots Team to have the site go live.

Your class teacher will resend home the personalised letters with links, usernames and passwords with your children on Monday 5<sup>th</sup> December, 2022.

We look forward to continued success with Numbots in KS1 and Timestables Rockstars in KS2.

Yours faithfully,

Mrs Sharp

WH Maths Team
