Dear parents and carers,

Re: KS2 Lunchtime Play Update

We are always looking at ways to improve the wellbeing and personal development of our pupils including over the lunchtime period. This week we have trialled a new routine where the KS2 playground has been split into 4 zones with different members of staff allocated to them to organise and run different games and activities. The children have been able to choose their zones and move fluidly across them as they wish. The Astro-turf is still being used via the rota and the Hush Hush Room is available on most days. Mr Raynor & Mrs Lewis explained the new zones during assembly on Monday and currently this has worked very well. The School Council will be selecting a range of new games equipment and toys for use in the zones during the lunchtimes with money raised by PAWHS.

We look forward to seeing the benefits to these changes.

Kind regards,

Mrs Fulford-Foy, Mr Stallwood and Mr Thorpe

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
