Dear families,

Re: Mobile Phone Use

As it is the start of a new year we thought we would remind everyone about mobile phone use. In order to safeguard our families, we do not allow any mobile phone use on the school site, or smart watches. This includes any place inside the school perimeter so inside the main gates, the car park, school office / reception area, the field and the school hall. We ask that any parent or visitor puts their phone away when coming on to the site and that the phone stays in a pocket or bag at all times whilst with us.

We want parents to be able to enjoy events and not just see them through their phones. We also have to safeguard pupils in the school. Therefore, we ask that parents do not take photos or record any school events.

If staff see a parent or visitor with a mobile phone out, they will ask parents to put the phone away. We ask for your support and co-operation to keep our families safe.

Yours faithfully,

Mrs Skinner
