Dear Parents and Carers,

RE: Parking at drop off and pick up

It has come to our attention that there have been instances of parking in spaces allocated to local residents, blocking driveways, as well as parking in designated disabled parking bays without a disabled badge causing inconvenience and frustration for members of the school community and our neighbours.

We would like to remind you that, if you have no other choice but to drive to drop off or pick up your child/children, you are able to use the Guttman Stadium car park, which is conveniently located nearby and offers lots of parking spaces.

Please also note that any car parking in a designated disabled space should display a valid permit at all times.

We have advised our neighbours and would also encourage you to report any unsafe or inconsiderate parking via the police non-emergency [website](#).

Please remember that safe and considerate parking ensures the safety of all our community - both adults and children.

Thank you for your continued support and let's work together to make responsible parking a standard practice.

Yours sincerely,

Mr Liddle
Behaviour and Community Lead
William Harding School

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
