Dear parents and carers,

Re: Preschool car park safety

As a preschool, we work with the children to build their understanding of road safety. We have worked on road safety posters, carried out road safety group times and discussed the rules of the car park.

We ask parents to support us in this valuable learning opportunity for the children by emphasising this during collection and drop off. Our first priority is to keep all the children safe. Please be mindful of our school taxis and leaving the car park and road clear for them to pass safely.

We are working very hard to teaching the children to line up to prepare them for big school. This is something we encourage parents to do with their children whilst waiting for the door opening. To ensure all our children are safe we request **scooters are not used in the car park** and for all children to walk.

Also, the **car park is only for staff** and school children who are provided with a taxi to use.

Thank you for your continued support.

Kind regards,
Aafrin Parveen
Preschool Lead

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
