Dear parents and carers,

Re: RWI: Virtual Classrooms

Access to Virtual Classrooms

As mentioned in the RWI parent's presentation, RWI have a resource called Virtual Classrooms which allows your child to access a virtual RWI 'Speed sounds session.' Please see the information below on how you can access this with your child.

Each half term there will be links that are provided on **Class Dojo (Year 1)** or **Tapestry (Reception)** for you to access the lessons that they have been learning in school. The more they practise using these films, the quicker they'll learn to read. When these links are uploaded to Class Dojo/ Tapestry, you will click the link which will take you to the video and then press play. These videos can last between 3 – 15 minutes and the link will last up to 6 weeks so there is lots of time to practise.

If you need further support accessing Virtual Classrooms, please contact your child's class teacher via the office.

Kind regards,

Miss Brown and Miss Kearns
