

# Do you want to get into teaching?

WILLIAM HARDING SCHOOL  
Aim high... Work hard... Be kind...

## **Initial Teacher Training**

We welcome applicants for ITT and are able to work with a number of training providers. We have experienced, skilled and supportive teachers available to train, coach and mentor aspiring teachers.

## **Home Grown Talent**

We are proud of the number of qualified and successful teachers we have developed at William Harding through the ITT programme. Many have started their career with us as teaching assistants, cover supervisors and progressed into leaders.

If you would like to find out more information on ITT or beginning your journey as a teaching assistant or cover supervisor please email [office@williamharding.school](mailto:office@williamharding.school) and add the subject line 'FOA ITT Lead'.
