07 March 2024

Dear parents and carers,

**Re: Year 6 Easter and homework SATS pack**

This week, we have sent the children in Year 6 home with some booklets of questions which we would like them to spend a bit of time looking at in preparation for SATs. There are arithmetic, maths reasoning, reading comprehension and GPS questions in the booklets and these are intended to help the children secure the concepts that we have been learning this year. The booklets are part of our final push to support the children to achieve their full potential in the SATs tests and your support would be much appreciated.

Over the next few weeks, please support your children to work through the booklet however do remember that it is better to do work little and often rather than long, tiring sessions. The booklets are intended to help the children to practise their skills but we still want them to have an enjoyable half term and weekends. There is no need for the children to bring the booklets into school and teachers will not be collecting them or marking them; this is a fantastic opportunity for the children to practise their independence and self-guided learning ahead of their move to secondary school.

Kind Regards,

Mr Irwin, Mr Dawson, Miss Beardmore and Mr McMahon

The Year 6 team

**Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.**
