Christmas Activities and Organisations

Now that Christmas is coming up, we thought it would be a great idea to share with you some activities and organisations near you. There are many excellent Christmas events happening and it would be a wonderful way for you and the children to get into the festive spirit, from Christmas lights to Christmas decorations, there is so much on offer this Christmas. We all love the sparkle around Christmas, SEN children may particularly like the multi-sensory elements in these activities.

Below is a list of some Christmas activities and organisations but these are just a few, you will find many more on the Bucks Family Information Service website, which is linked just below.

- Santa's Magical Gift (Christmas)

Holly, Santa's newest elf and Trixie the experienced elf are busy decorating Santa's workshop in the lead up to Christmas, cutting out beautiful snowflakes from white paper. Holly reveals Lapland's biggest secret, that once a year Santa sends a magical gift to one person who deserves it the most. Holly writes her Christmas wish on a snowflake and places it on the window ledge before going to bed. That night a gust of wind takes the snowflake, and in the morning a large golden gift appears in its place.
