Dear parents and carers,

Re: Session changes due to new funding scheme VIOLET ROOM ONLY

As you may be aware, from April, the new 2-year-old funding scheme for working parents will be put into place. We understand how important it is for us to support families in the delivery of the childcare entitlements within our setting. Before Christmas, we put out a questionnaire for families to express their preferences and based on the responses we have made the following changes to the sessions we can accommodate. We have tried our best to take into consideration the responses from our parent questionnaire, what is currently our highest demand and what will fit most of our children for their age and stage.

It has been a hard decision to make and we hope you can support us in this change. We have made the decision to offer the sessions of Mon – Fri AM or Mon-Fri PM. This means from April our part time options are either every AM or every PM. We will also offer top up sessions if they equate to 15 hours. This is to ensure we can offer out as many spaces as possible.

This means that Violet room children can attend either every morning or every afternoon to cover their 15-hour entitlement. Families could also choose to top up sessions by paying privately for their child/ren to attend lunch club (Mon-Fri) or all day (Mon- Fri).

Please complete the section below in regards to your child’s sessions starting from April. Please return this by Friday 1st March 2024.

Thank you for your understanding.

Kind regards,
Aafrin Parveen
Preschool Lead
