Dear families,

**Re: COVID Guidance for WOW Club - February**

Following updated COVID Guidance we are able to return to normality with our breakfast and after school club. Pupils attending breakfast and after school club will now be able to return to mixing with children from other classes and year groups.

We are still bound by Health and Safety guidance with regard to ratios of staff to pupils and the size of the space and we will continue to follow all guidance in relation to COVID including:

- Ensure good hygiene for everyone, we will continue to encourage regular hand washing
- Maintain appropriate cleaning regimes, using standard products such as detergents
- Keep occupied spaces well ventilated
- Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19

As per the other guidance, if your child has a confirmed, or suspected case of COVID, as they will not be attending school they will also not be allowed to attend breakfast and after school club whilst they have COVID to protect the staff and other pupils.

Thank you for your continued support and understanding.

Yours faithfully,

Mrs Skinner
