Dear parents and carers,

Re: Parent Friends

We are always looking at ways to improvement communication and improve the experience of our parents and carers here at William Harding School. As part of this, we are delighted to announce that we would like to recruit parents/carers to be William Harding Parent Friends helping to improve communication and provide support for parents.

What is a Parent Friend?

Parent Friends are here to support parents in their year group and provide key dates for the upcoming term. If you have a general question about uniform or how to book a club or how parents evenings work, you could ask one of our Parent Friends. Parent Friends are also able to pass on general suggestions or requests to myself. I will then pass these on to the SLT for discussion. However, please remember if you have a specific question or concern relating your family or child, then please contact the office so that the right person can support you.

If you would like to be one of our Parent Friends, please complete this short online survey by clicking [here](#)

Kind regards

Mr Liddle
