Dear families

Re: Events for Spring 1

We hoped to be able to welcome parents back into school and have a normal school year. Although we were not able to have the events we wanted in the autumn term, we had been hoping that in 2022 we would be back to normal. With the new variant, and increased restrictions, we are again having to change our plans to keep our community safe.

FLO Coffee Morning

We have a FLO coffee morning in spring 1. This will be run again via Teams, as it was in the Autumn. Please look for a separate letter for information.

Come and Read

We hoped to be able to re-start come and read as well, but again this would mean many families in school at the same time. We will therefore continue with a virtual come and read. Each teacher will choose a book to share and will upload a video of themselves reading it for you to share with your children.

SATs Parent Meetings

We will be unable to hold these sessions in person. These will be held virtually. Please see separate letters for further details and links to join the sessions.
