Meet Mrs Wood, our new School Counsellor

Hello everyone, my name is Nicola Mayer-Wood and I am delighted to have the opportunity to introduce myself. I was overjoyed to have been appointed William Harding's new school counsellor in February. Now, almost a term into the work, I feel very fortunate to work with such a dedicated group of people, who spend every day working really hard to make sure your children are safe and, in an environment, where they are able to flourish.

I am an integrative child therapist who uses play and the arts to help children work through their emotions. I work with children from a variety of age groups for both short and long-term work. Another important part of my role is to work closely with the children's family and to provide support in any way that I possibly can. I am looking forward to developing my role at William Harding School and getting to know as many people in the community as possible. Thank you.

If you feel your child would benefit from seeing Mrs Wood, please email: office@williamharding.school marking it for FAO Mrs Bone
