Dear parents and carers,

## Re: Homes for Ukraine Fund

The Department for Education have allocated an amount per child, between 2 and 18 years old, who has entered the UK via the Homes for Ukraine Scheme. The DfE have stated that councils should use the funding to meet all the educational costs associated with these pupils including providing school places, additional pupil support, council services and administration of the scheme.

Buckinghamshire Council has agreed to pass the majority of the funding directly to schools to ensure that they have sufficient funds to meet all the academic and emotional needs of these children and young people, enabling access to high quality education and integration into local communities.

We have recently been provided with additional funding to support pupils who have entered the UK via the Homes for Ukraine Scheme. We are using this funding to train staff to deliver nurture support. We are also using the funding to provide training for a senior mental health lead for the school.

For families who entered the UK via the Homes for Ukraine Scheme, we can also use the funding to provide uniform or stationary for pupils. Please contact me via the office email if you would like to discuss this further.

Kind regards,

Mrs Skinner
