Dear parents and carers,

Re: Homework Grids

In response to a few requests and questions about children's homework on the Digit Parent Suggestion Box, to support you, we have included a brief overview below.

Each half term, class teachers set up a homework grid linked to the topics they will be covering. These are open tasks that can be done in any order. The topics with an * by them are expected to be done; the rest are pupils and parents choice.

Regarding marking, please rest assured that any issues with the work are picked up by the class teacher. Otherwise, and in line with our marking policy, pupils will receive a 'Well done' when the teacher marks their homework.

I hope this has addressed any concerns you have. If you have any further questions, please do not hesitate to contact your child's class teacher.

Kind regards,

Mr Thorpe
