Dear parents and carers,

RE - Celebrating the Positive Learning Behaviours of Our Pupils

As we approach the half way point of the academic year, it brings us great pleasure to share with you the positive learning behaviours displayed by our pupils here at William Harding School.

At William Harding, we continuously emphasise the importance of creating a positive learning environment to ensure that all members of our school community aim high work hard and are kind. We firmly believe that fostering a culture of perseverance, and respect for learning lay the foundations for lifelong success.

Our wonderful pupils demonstrate these values admirably, and it is truly inspiring to see them grow and develop as lifelong learners.

From showing great resilience in the face of challenging learning tasks to showing a willingness to explore new ideas, our pupils consistently demonstrate a passion for learning. Their drive to collaborate, inquire, and think critically truly reflects their academic skills.

We are so proud of the children who attend William Harding school and wanted to share this with you. Together, we will continue to work together to inspire, empower, and uplift the next generation of leaders and innovators.

We would also like to say a big thank you to you, our parents and carers, for your continued support and encouragement both of your children and of the school.

Kind regards,

The William Harding Staff team

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
