Dear Parents & Families,

Re: Ellen White Mural

We are very excited to share some news about the new year.

We have been contacted by a mural company who have been commissioned by Microsoft X Box to create murals telling the story of 6 England players (3 Men & 3 Women). The theme of the murals is “The Power of Dreams” and it is to inspire the younger generation by telling the real story of players as they found their way to success, often through unconventional routes. England and Manchester City football star Ellen White started her football career while she was attending William Harding.

We have therefore been selected to have Ellen’s mural painted on our building. The work should be completed by the end of January and we will be able to share more news on this as it happens.

We are in contact with Ellen’s management to see if she could perhaps come along to see it in person and meet the children too – more to follow on that too.

Yours faithfully,

Miss Judge
