Dear families,

Re: Pathways outside the front of school

As you know for a while we have been trying to work with our Local Authority to improve the pathways outside the front of the school. We have now received confirmation from Transport for Buckinghamshire that the pathway will be repaired and made safer. We are also pleased to announce that this work will take place during half term to reduce disruption to our school day.

We had requested that the pathway was widened to cater for our growth in school numbers however Transport for Buckinghamshire have stated that this does not fit the objective and criteria for capital maintenance funding. Miss Judge, our Business Support Manager, will continue to work with the Local Authority to request this as part of an improvement scheme.

Thank you for your ongoing support.

Best wishes,

Miss Cotchin
