Dear Parents and carers,

Re: New School Gates

To help improve the safety of all the children and staff here at William Harding, during the Easter holidays we have some new automated gates being fitted at the entrance points. There will be no changes to the way children are dropped off or collected, but please bear with us while we all adjust to the new system. The pedestrian gate will also be automated. This means it will be shut at all times, so you will need to press the buzzer for the office to open the gate and let you in.

We hope to have any teething issues ironed out on the INSET day to reduce any disruption on the first day back.

Yours faithfully,

Miss Judge
