06 February 2023

Dear parents and carers,

Re: Coronation Merchandise

As you are aware, King Charles III is being coronated on May 6th, with this in mind, we are very excited to announce more details of our Coronation Project that the children will be taking part in. This will be a once in a life time event.

Early in our Spring 2 term, the children will be taking part in a fantastic classroom-based activity, where they will be designing their very own King’s head postage stamp. Once the children have completed their design, the design will be sent off to our project company, where they will scan the design of your child’s image and return it back to us on personalised order forms. Your child’s design can be put onto tea towels, cushions, coaster, mugs and as an A4 print. You may wish to have the design on multiple items and give them as gifts to family and friends. See the images below of the types of items that can be ordered.

The order form will contain all the details of the items that are available to order, prices and the link which you will need to be able order your items. Items can only be ordered via the link – we cannot take orders for items in school. Once our order window has shut, all orders will be made and sent back to us at school to distribute. We are aiming for all designs to be returned to you before the coronation. Please note, once the online shop is closed, unfortunately we won’t be able to process any further orders.

As this is a PAWHS event, this will also raise funds for the school so that we can purchase addition resources to support learning across all year groups.

Kind regards

The PAWHS Team

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
