Dear parents and carers,

Re: Parent survey 2022

Family engagement is strong at William Harding, and the school has continued to improve over recent years, but we'd like to make it even better and make sure we continue to meet the needs of families, pupils, and staff. As in previous years, we have developed a survey for parents and carers to share their experiences of William Harding School with us. We would really value your input to this. The survey can be found by clicking on this link <https://forms.office.com/r/WXV3jpmJh>

The survey will remain active until Friday 10th June 2022 at 5pm, and can be accessed from a variety of devices, including mobile phones. If you need any support in completing this survey, please contact the school.

Your feedback will be anonymous so please remember to contact your child's form tutor, or Year Leader, if you have specific concerns which need to be addressed. Your responses will be reviewed by the Governing Body and the Senior Leadership Team, and allow us to celebrate our collective strengths, but also identify areas for improvement.

Thank you in anticipation.

Matthew Sharpe
SEND Governor
