26 May 2023

Dear parents and carers,

Re: Primary Science Quality Mark Award success

I am delighted to tell you that our school has been awarded the Science Quality Mark which;

- Celebrates our commitment to excellence in science teaching and learning
- Provides training for staff
- Ensures confident, knowledgeable, reflective leadership

Congratulations to our Science team and Mr Stallwood for ensuring our Science offer to pupils is excellent.

The Primary Science Quality Mark is led by the University of Hertfordshire in collaboration with the Primary Science Teaching Trust. Associate Professor Jane Turner, PSQM National Director said:

- *Schools that have achieved a Primary Science Quality Mark have demonstrated a significant commitment to science teaching and learning.*
- *The profile and quality of science in each awarded school is very high.*
- *Children are engaging with great science both in and outside the classroom, developing positive attitudes towards science as well as secure scientific understanding and skills.*
- *Science subject leaders, their colleagues, head teachers, children, parents and governors should be very proud.*

I am sure you will join me in being proud of William Harding and congratulating our pupils and staff on this achievement.

Best wishes,

Miss Cotchin
Head teacher

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
