16th March 2022

Dear parents and families,

Re: Uniform expectations – footwear and PE kits

It is important that pupils are properly dressed to attend school and wear the William Harding uniform. This is not only to ensure that we create a sense of community and pride in our school but also to ensure the pupils are ready to learn purposefully and are safe.

Footwear

Please be reminded that good, safe and sensible footwear is key to ensuring pupils are comfortable and to reduce any injury at school. Footwear should be;

- Black shoes (not trainers or boots)

If for any reason your child cannot wear black shoes you will need to either send in a note or speak with staff and this will be taken into account as to why the uniform policy is not being followed.

PE Kits

Pupils must wear PE kits when doing PE lessons – please ensure you send these in. Pupils cannot take part in these lessons safely if they are not dressed appropriately and therefore may have to observe the lesson for safety reasons.

Uniform support

If your child is not wearing the correct uniform, they will be sent home with a uniform slip for your attention or a member of staff may speak with you. If you are having trouble sourcing uniform for your child, then please contact our FLO team for support via the office. For your ease information regarding our uniform can be found here on our website.
