Dear parents and carers,

Re: Young carers

William Harding School have recently formed a partnership with Young Carers Bucks to provide support and raise awareness of young carers within our school and across the county.

Did you know that 1 in 12 young people have caring responsibilities? This may be due to a relative with a learning disability, physical disability, long term illness or mental health needs. Whilst we already know of some pupils who are young carers, we believe there may be more across our school who would benefit from the extra support we can provide.

The school are working in partnership with Young Carers Bucks to identify young carers, to raise awareness of the impact that being a young carer can have on individuals and to support the young carers who attend this school. This partnership involves assemblies, staff sessions and group work.

We have set up a group specifically aimed at our young carers. We will be running the group with support from Laura Troll at Young Carers Bucks. The group will be run by school staff with ongoing support from Young Carers Bucks. We will meet regularly to provide a support network for the Young Carers within the school environment.

We plan to meet half termly. The group will have a relaxed informal feel and we plan to play games and other activities with the focus on fun and getting to know each other.

Other schools in the area have already implemented a Young Carers school group into their school and have noticed the positive effect it has had on their children both emotionally and educationally.

If you know/think your child may be a young carer then please complete the attached slip and return to myself, Mrs Lambourne.

If you would like to have a chat with me to discuss things further please tick the box and I will get in touch with you.

Please note that your child does NOT need to be registered with Young Carers Bucks to attend the group.

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.

Please don't hesitate to contact me, if you have any questions or queries about the above.

Best wishes

Mrs Lambourne
Matron/Family liaison officer.
