Dear parents and carers,

Re: Oxford Reading Buddy

We just wanted to send a reminder about children’s opportunity to access Oxford Reading Buddy and provide you with some information about how to use it and what a great resource it can be.

Every child has a login and if you have lost or misplaced this, please contact the school through supportadmin@williamharding.school.

What is Oxford Reading Buddy?

- Oxford Reading Buddy is an online service that helps children with their reading
- It contains hundreds of Oxford books and book-quizzes, all matched to each child’s reading level
- Children can use it at home and at school
- It works on smartphones as well as computers and tablets

How will Oxford Reading Buddy help your child?

Oxford Reading Buddy will...

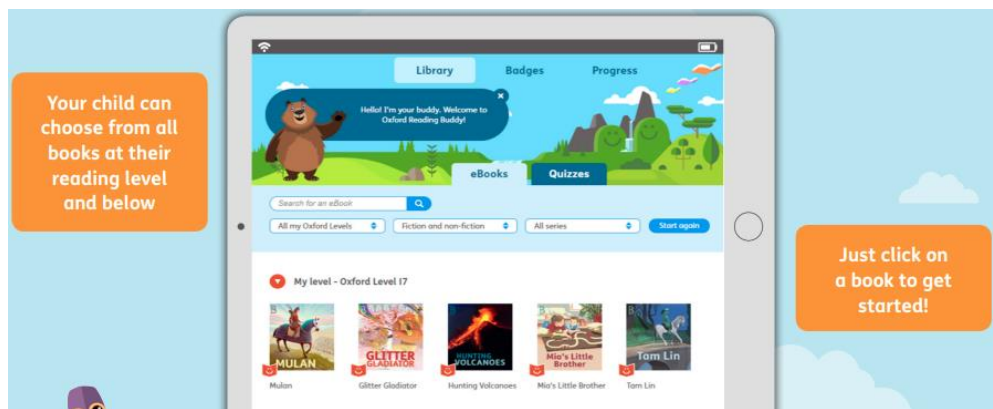

- Give your child access to lots of books so that they can practise reading
- Give them a ‘buddy’ to help them understand what they are reading
- Check how your child is doing and make sure they have books at the right level
- Report back to teachers so that they can see where your child might need more help
- Give your child badges for reading well and motivate them to practise more

How to use Oxford Reading Buddy: Finding a quiz

Your child can take quizzes on many Oxford print books, as well as eBooks.

Every eBook ends with a quiz. Automatic marking shows your child's teacher how they are getting on. Their quiz scores determine when they are ready to change level. Remember, there are quizzes on print books as well as eBooks.

How you can help your child

- Encourage your child to read regularly, both on and off Oxford Reading Buddy
- Talk to your child about what they are reading
- Resist the temptation to help your child on the quizzes because their answers will help your child's teacher understand their needs
- Encourage your child to listen to the 'Buddy prompts', as these will help them improve their comprehension
- Be patient and encouraging, as children progress at different rates

Yours faithfully,
Miss Hubbard
