Dear parents and carers,

**Re: Parent Communications – your opinions**

We appreciate the importance of ensuring you have all the information you need regarding what is happening in school.

We moved to our current Friday communications following parental feedback. We are keen to know if this is still the best way for us to share with you our letters and communications.

Please find a survey for you below to share your views. We will leave this open until the Wednesday 19<sup>th</sup> October in order to give you enough time to complete. If you would like support to complete this please contact the office.
