Dear parents and carers,

Re: Swimming Kite Mark

You will shortly notice a new logo on our letterheads and on our website. We have been awarded a Swimming Kitemark as a sign of recognition that we are a school who demonstrates Safe Practice in the delivery of our School Swimming Programme.

We are delighted to announce that we have been graded a “green” school which means that we are entitled to display the following kitemark on your website and across our digital media platforms;

In order to receive the award, we have had to show that our policies and procedures are all in place. We had to show that our swimming programme meets the high standards needed and that we both ensure children are safe when swimming as well as that the programme covers water safety.

Kind regards,

Mrs Skinner
