Dear parents and carers,

Re: Annual Reports Pre-School

In order to ensure you have information about your child's learning and how to support them moving forward, we provide parents with annual reports for our Pre-School pupils. This is in line with our reports to pupils in Reception to Year 6.

The report will give you information about your child's current level of ability and effort across the Early Years Foundation Stage, the characteristics of effective learning, a general comment from their key worker as well as an idea of what you could work on with them at home. We hope this will be useful for you as parents.

Please note; for those in Violet room, they will report on the prime areas of learning only, as these are the key focus for this age group.

You will receive your child's report via email from preschool@williamharding.school to the email address you have registered with us. If there is anything you wish to discuss in your child's report please email preschool@williamharding.school.

You will receive your child's Annual Report on Monday 10th July.

Best wishes,

Miss Cotchin (Head teacher) and Miss Brydon (Deputy Head)

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
