Dear parents and carers,

**Re: Whole school – return to school**

Last week we returned to school for the new academic year and the beginning of the Autumn first half term. Both last week and this, I have had the enjoyable task of visiting classrooms to see how both pupils and staff have settled back after the holidays.

I am very impressed with how pupils have returned and settled in to their new routines. All classrooms were calm, even during the heatwave. Staff have worked hard to develop relationships with the pupils and I hope that as parents you also develop strong relationships with your class teacher this year.

I am very proud of our pupils' hard work and commitment to ensuring they do their best in class and around the school. I hope you join me in congratulating your child for their success.

Thank you for your ongoing support.

Best wishes,

Miss Cotchin  
Head teacher
