Dear parents and carers,

Re: Year 6 SAT week

This week has seen SATs week (assessment week) for the pupils and they have had the opportunities to show off their learning and progress for this term.

I am very pleased that we were able to utilise a range of strategies to support the pupil in ensuring that they approach the assessment tests in the best way for them.

For your information the following was in place;

- 4 different types of rooms used; smaller, larger, quieter
- 14 different adults to support
- extra time support
- room specifically for anxious pupils & movement breaks
- room specifically for vulnerable pupils

Thank you to all the staff for supporting the Year 6 pupils this week to ensure they do their best and are ready for SATs in May.

Thank you for your support.
