The meeting will be led by Mrs Sharp, with the Year 2 teachers and myself in attendance. The meeting will consist of information about the SATs, including; dates, assessment and reporting, scaled scores and examples, higher-attaining pupils, access arrangements, the tests and how to support your children in the lead up and examples of questions for the different tests. At the end of the session, we will be available to answer questions.

If you are unable to attend the meeting, the presentation slides will be available on the Year 2 page of the website, along with any other handouts that were shared at the meeting.
