Dear parents and families,

Re: Year 2 DT – Smoothie Making – Thursday 8th and Friday 9th November

The Year 2 Classes have all been working hard this half term, learning about food hygiene and the importance of healthy eating. The children will have the opportunity to design, create and taste a healthy smoothie that meets a specific criteria.

This is a vital part of their learning as they will be assessing their own work and will need to explain how their smoothie meets a specific success criteria.

The Year 2 Team will provide the strawberries, bananas, and a choice of milk, apple juice or orange juice to add to their creations. If your child has an allergy, and your child does not want to use a school provided alternative (soya milk), then you will need to send in their own ingredients.

Whilst we are aware of allergies in each class, if your child suffers from any allergies, please speak to your classroom teacher prior to the 8th November.

Yours faithfully,

The Year 2 Team

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
