Dear parents and carers,

Re: Year 2 and Year 3 Camp Craft Activity Day

We have received a number of questions about the Year 2 and Year 3 Camp Craft Activity Day.

Originally we had planned to have an overnight camp out. Normally this would be just for Year 2 but as Year 3 did not do it last year we had decided to include Year 3 this year. Unfortunately, we didn't have the interest we expected for the camp out with many families not responding or saying they did not want to take part, and so we had to think of an alternative. We decided on a camp craft activity day which would ensure all children could be included in this type of opportunity and have a go at different camp activities. The children will do all of the same activities that we planned to do, plus a few others.

All children will take part in the daytime activities, this will run like any trip or visitor activity. We ask for the voluntary contribution of £12 to cover the cost of the company who are running the day and the resources needed. If we do not get sufficient contributions we may not be able to go ahead with the experience.

We understand that some families may have been disappointed by this decision, however by moving to a day visit we can include all pupils in this great experience.

We thank the parents who have sent in suggestions and also volunteered to supervise overnight. We have considered all of these comments and offers. We will review this activity for next year.

Kind regards,

Mrs Skinner

Inclusion, Pastoral and Safeguarding Lead

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
