Dear parents and carers,

Re: Year 4 Multiplication Check

As you know, the children in Year 4 are required by the government to take part in a multiplication times tables check during the summer. We will be carrying out the check during the week of 19th June.

The check is carried out online and will consist of 25 multiplication questions. Children will have the opportunity to practise the format of the test in the computer room, after the half term holiday so that they are familiar with the structure.

The results from this check helps the Year 5 teachers to ascertain which children may need support with learning their times tables. The final score will be shared with parents as part of the end of term report. You will receive their mark out of 25. There is no set pass mark.

Please support your children by practising their times tables using their TTRS logins and accessing the challenges that have been set on the app. Teachers have given the children their login details in case any have been misplaced.

If you do have any concerns please don't hesitate to contact your child's class teacher.

Kind regards,

Mrs Fulford-Foy

Assistant Headteacher Year 3 & 4

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
