Dear parents and carers,

Re: Secondary transfer tests and application for secondary schools

Normally at this time of year schools deliver a presentation to parents to explain how the secondary transfer tests (11+ test) process works and how to apply for secondary school places.

Due to the success over the past couple years of delivering the PowerPoint via the school website, we will be doing this once more this year. It gives you, as parents, the opportunity to access the PowerPoint and information when needed.

The admissions team at Buckinghamshire County Council have created a presentation for us to send to parents. The presentation is in the form of a 30-minute video, in 2 parts. The video details how to apply for a secondary school place and the expected process for secondary transfer tests (11+).

The video has been uploaded to the Year 5 page of our website. We have also included the notes to accompany the video on the same page. Please follow the link to the page <http://www.williamhardingschool.co.uk/year-5>

As well as this information, we have also received an online version of the familiarisation document which can be found on the Year 5 page of our website. As well as this, the familiarisation document will be sent directly to your homes on Thursday 6th July.

Yours faithfully,

Mr Stallwood

Assistant Headteacher Year 5 and 6

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
