Dear parents and carers,

Re: Year 6 National Childhood Measurement Programme 2023/2024 Reminder

Each year in England, school children in Year 6 routinely have their height and weight checked at school as part of the National Childhood Measurement Programme.

We would like to remind you that the School Nursing Team will be visiting our school on **Tuesday 12th December 2023** to measure your Year 6 child. Your child will be opted in **automatically** unless you choose to opt-out of this programme by registering with the SchoolScreener Parent Portal. Please opt-out by **Saturday 9th December** otherwise your child will be included in the screenings and will be measured. If you do not register, you will not be able to see your child's results.

To register, please click the link below:

Please see the separate documents for further details.

Kind regards,

The Year 6 Team

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
