Dear parents and families,

Re: Praise for year 6 pupils in SAT week

It has been the Key Stage 2 SATS (Statutory Assessment Tests) this week for our pupils in year 6. These are tests in Reading, Grammar, Punctuation and Spelling and maths. This is always a challenging week to do so many tests over so many days and of course we have had two years of disrupted learning as well.

We have been amazed at how our pupils in year 6 have shown such great determination towards completing these tests. Each test room has been calm with pupils showing great learning behaviours. We are very proud of our pupils and their attitudes this week to ensure that they did their best across the multiple tests and days.

We also wish to thank our staff (teachers, teaching assistants and FLOs) who have supported the pupils in the test rooms, to motivate and reassure them throughout the week. It would not be possible to run without their support.

I know the pupils will look forward to their pizza party tomorrow and a weekend of relaxation that is well deserved.

Thank you also for your ongoing support.

Best wishes

Miss Cotchin and Mr Stallwood
