Dear parents and carers,

**Re: Year 6 recognition and congratulations**

This week Year 6 have completed their assessments for Reading, Maths and Grammar and spelling tests.

Staff have worked hard to ensure pupils have had the right room for their needs or personalities, with extra time or readers supporting where needed. This has helped the pupils feel as positive as possible about these tests in readiness for their SATs in May. We feel very strongly that the practice we give our pupils helps ready them for this as well as their Secondary school.

I have been very impressed with the pupils' attitudes towards the tests – all doing their very best – even when it has been very hard. They have showed this half term's value of perseverance and the pupils have certainly demonstrated great determination in all aspects of their tests, making us all very proud of them.

I am immensely pleased and proud of how well our pupils cope with these challenges and how dedicated they are to their learning – it is very impressive! Please do take the time to praise and say well done to your child – they deserve the recognition.

Thank you for your ongoing support.

Best wishes,

Miss Cotchin  
Headteacher
