Dear parents and carers,

Re: Sun safety

At William Harding we want to ensure your child is protected against the sun's harmful effects. The children will play outside in all weathers therefore they will be outside in the sun but with your co-operation we can manage this safely.

We ask that you:

- Apply a high factor 'once a day' sun cream before the start of the day.
- To ensure that your child brings in a clearly named sun hat which will fit in their book bag/tray/locker
- Provide a clearly named bottle containing water, no juice please.

Our responsibilities as a school are:

- To remind the children of sun safety and to wear their sun hats.
- We will ensure all children have access to fresh water throughout the day. Staff will remind the children to refill bottles when needed.

Unfortunately, we cannot accommodate children bringing in their own sun cream.

Kind regards,

Mrs Lambourne

Matron

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
